ACKNOWLEDGEMENT

First and foremost I would like to thank Mr Subhendu Das for directing my work and providing many timely comments and suggestions for improvement of our project. He always evinced keen interest in my work, His constructive advice and constant motivation have been responsible for the successful completion of this project. I would like to thank Mr Nitty Das for his unending help during the implementation of the project, and his helpful guidance when times were good and bad.

I would like to thank faculty members of the department for providing valuable feedback, I appreciate the support of all the classmates in completion of our work, Finally I would like to thank our parents for their encouragement in all of our endeavors.

Soumitra Deb
