ACKNOWLEDGEMENTS

First and foremost, I would like to express my heartfelt and sincere gratitude to my project guide **Prof. D. K. Saikia** for his most valuable guidance and constructive advice throughout the course of the project. Besides, I will always remember his encouragement and moral support during my hard times.

I would like to thank **Dr. N Sarma,** Associate Professor, Department of Computer Science and Engineering, Tezpur University for his valuable suggestions basically at the beginning of the project.

My sincere thanks goes to **Prof. D. K. Bhattacharyya,** Head of the Department of Computer Science and Engineering, Tezpur University for his co-ordination in extending every possible facilities to the students of the department and thereby helping us in completion of our project.

I owe hearty thanks to other faculties of our department for their keen interest in bestowing us subject knowledge.

I would like to thank Mustafizur Rohman, Nitin Gupta, Amitabha Nath, Amar Pathak, lamjing meitei, Bronzon Gogoi and Amit Dhar for their unconditional support and co-operation.

It has been a great experience working in this project. I am obliged to the members of the DIT PRSG team for providing their valuable timely support and guidance. Thanks to DIT PRSG team, especially **Shri N. Subramanian**, C-DAC, Bangalore for his valuable suggestions and recommendations.

Thanks to my family members, my classmates and my friends for their helps and mental support.

Monjit Sonar
