## Acknowledgement

It is my great pleasure to show due regards to persons involved in bringing out my successful completion of the project work entitled *Dialectical features in speech* undertaken by me as a prerequisite towards partial fulfillment for the award of M.Tech in Information Technology at Tezpur University.

It would not possible for me to achieve the success with my effort alone. There were a lot of people who extended their supportive hands towards me in the way of making my work a success. First of all my heartiest gratitude goes to my project guide Prof.Utpal Sharma Professor of Computer Science & Engineering , Tezpur University for his excellent guidance and valuable suggestion during the course project. I am highly grateful to Prof. Shyamanta M. Hazarika, Head of the Department, Department of Computer Science & Engineering, Tezpur University, for his constant support in providing necessary facilities during the course of the work. Also my sincere thanks to other faculty members, research scholar and laboratory staff of the department for their support during this project in various ways.

Last but not the least I am also thankful to my classmates specially Tanuja, Shafiu, Mokhtarual, Shinjit for giving their sweet voices for recording and juniors for their kind cooperation during the entire process. I would like to acknowledge everyone who contributed directly or indirectly for the fulfillment of this project work.

I dedicate this dissertation to those who believed in me, my parents and family.
