ACKNOWLEDGEMENTS

It is my great pleasure to show due regards to persons involved in bringing out successful completion of the thesis entitled "*Error Correcting Codes: Theory and Application*" undertaken by me as a prerequisite towards partial fulfillment for the award of the degree of *Master of Technology* with specialization '*Information Technology*' at Tezpur University.

It would not have been possible for me to complete this work with my effort alone. There were a lot of people who extended their supportive hands towards me in the way of making my work a success. It is a pleasure to convey my gratitude to all of them.

First of all, I would like to express my deep sense of respect and gratitude towards my adviser and guide *Dr. Malay Ananda Dutta*, who has been the guiding force behind this project work. I am greatly indebted to him for his constant encouragement, invaluable suggestions and support from an early stage of this research and providing me extraordinary experiences throughout the work. I consider it as my good fortune and proud to record that I had the opportunity to work with such a wonderful person.

I am highly grateful to *Dr. Utpal Sharma*, Head of the Department, Department of Computer Science & Engineering, Tezpur University, for his constant support in providing necessary facilities during the course of the work. I extend my sincere thanks to other faculty members and laboratory staff of the Department, for their generous help in various ways for the completion of the work.

I am especially indebted to my parents for their love, sacrifice and support. I would also like to express my solemnized gratitude and thanks to all my friends who had been by my side and pouring their valuable advice and encouragement. I am thankful to them for their help in carrying the survey and implementation and as well as in every step of the project. Finally, I extend my gratefulness to all those who are directly or indirectly involved in this work.
