ACKNOWLEDGEMENT

“Hard work alone doesn't bear fruit, but it is only hard work under
Expert guidance which does”

We would like to express our sincere gratitude to Director, NAL and Technical Secretariat, NAL for having permitted us to carry out this project at C-MMACS, Bangalore and for providing us with the necessary facilities which have been instrumental for the successful completion of the Project.

We would like to express our immense gratitude and our sense of great admiration for our guide Dr. Prashant Goswami, for his guidance through our way to the completion of our project and his indefatigable spirit for our work, which was a source of motivation for us. We would like to convey our gratitude to Mr. Krushna Chandra Gouda for providing us with useful guidance and important material. With his optimistic spirit and encouraging nature, he has helped us a lot to overcome all the hurdles that we faced during the project. Without his immense help, it would have been very difficult for us to complete the project.

We would like to express our sincere sense of thanks giving for the staff members of the NAL and C-MMACS, who have been very cordial and helpful for our incessant needs.

We take great honor to express our deep sense of gratitude to Prof. Dhruba Kumar Bhattacharyya, Head of the Department, Dept. of Computer Science and Engineering, Tezpur University for his encouragement and academic guidance.

We sincerely thank Prof. Smriti Kumar Sinha, Dept. of Computer Science and Engineering, Tezpur University, for his help, guidance encouragement and constant scrutinizes for the successful completion of our project.

Last, definitely not the least, we would like to thank our friends who have helped us in this endeavor.
