Acknowledgement

I express my deep and sincere gratitude to Mr. Sarat Saharia, Assistant Professor, Department of Computer Science and Engineering, Tezpur University, Napaam, Tezpur, who has been my supervisor since the beginning of this study as well as the project. I also express my heartfelt gratitude to Mr. Ajay Sharma, Lab Assistant, for his kind help in providing me the best hardware and software required for the successful completion of the project. This project had been far beyond completion without their exquisite support. I am greatly indebted for their valuable, constructive and critical guidance throughout the tenure of this project.

I would also like to express my solemnized gratitude and thanks to all my friends who had been by my side and pouring their valuable advice and encouragement. I am also thankful to them for their help in carrying the system testing and implementation and as well as in every step of the project.
