ACKNOWLEDGEMENT

The satisfaction that accompanies the successful completion of any task would be incomplete without the mention of people whose ceaseless cooperation made it possible, whose constant guidance and encouragement crown all efforts with success.

First and foremost, I would like to express my deep sense of gratitude and thanks to my supervisor **Dr. Bhogeswar Borah** for his invaluable encouragement, advice and support from an early stage of this project and providing me extraordinary experiences throughout the work. Above all, his priceless and meticulous supervision at each and every phase of work inspired me in innumerable ways.

I specially acknowledge him for his advice, supervision, and the vital contribution as and when required during this research. His involvement with originality has triggered and nourished my intellectual maturity that will help me for a long time to come. I am proud to record that I had the opportunity to work with an exceptionally experienced Professor like him.

I am highly grateful to **Dr. Utpal Sharma**, Head, and Department of computer science and engineering for his kind support and permission to use the facilities available in the Institute.

Lastly, I would like to thank almighty, my parents, my elder sister, my friends and my seniors for their constant encouragement without which this work would not be possible.
