Acknowledgement

I would like to take this opportunity to express my deepest gratitude and sincere thanks to my project guide **Dr. Dhruba Kumar Bhattacharyya**, Professor & Head, Department of Computer Science and Engineering, Tezpur University for guiding me through the course of this project. Without his inspiration, valuable suggestions, comments and quest for excellence, it would not have been possible to complete this work. His constructive advice and constant motivation have been responsible for successful completion of my project.

I am thankful for the discussion and valued suggestion which I had from all my friends. I would also like to express thanks to all others who gives me support, view and valuable help throughout the entire project.
