# ACKNOWLEDGEMENT

Gliding down the days of the development of the project entitled "*Firewall Visualization Architecture*" we share a thought of giving a ovation to all the people for their support, valuable advice and guidance that has helped us in carrying out this project.

First of all, we would like to convey my heart thanks to Dr. Shyamanta M Hazarika, Professor and Head of the Department, Department of Computer science and Engineering, Tezpur University for offering his graceful guidance and support in every step of the project work without which it would have been impossible to fulfill the target.

At the very outset, I take the opportunity to offer heart full thanks and sincere gratitude to **Mr. Muraleedharan N**, the Project Guide of Centre for development of advanced computing, Bangalore, for offering his guidance and support in the project work. Further we thank **Mrs. Kalpana Sachan** for guiding and helping me at every crucial step.

I would like to express our heart filled thanks to all the faculty and technical stuff for their help and support during the project. I would also like to thank all of our friends for their valuable help, views and constant encouragement throughout the entire project period.
