Acknowledgment

It is my great pleasure to show due regards to persons involved in bringing out my successful completion of the project work entitled *FST-Based Morphological Analysis of Maithili Language* undertaken by me as a prerequisite towards partial fulfillment for the award of M.Tech in Information Technology at Tezpur University.

It would not possible for me to achieve the success with my effort alone. There were a lot of people who extended their supportive hands towards me in the way of making my work a success. First of all my heartiest gratitude goes to my project guide Prof. Smriti Kr Sinha Professor of Computer Science & Engineering , Tezpur University for his excellent guidance and valuable suggestion during the course project. My sincere thanks to all faculty members of the department for their support during this project,

Last but not the least I am also thankful to my class mates and juniors for their kind cooperation during the entire process. I would like to acknowledge everyone who contributed directly or indirectly for the fulfillment of this project work.

I dedicate this thesis to those who believed in me, my parents and family.

Raza Rahi
