Acknowledgement

We would like to express a deep sense of thanks and gratitude to our project guide Prof. Dhruba Kumar Bhattacharyya for guiding us immensely through the course of the dissertation work. He always evinced keen interest in my work. His valuable suggestions, ideas and constant support need to be mentioned specially. His constructive advice and constant motivation have been responsible for the successful completion of the project work.

Our sincere thanks to Prof. D K Bhattacharyya sir for allotted us two workstations in his own lab to carry out our project work.

We are grateful to all our teachers for their invaluable suggestions, encouragement and support. We are grateful to Hasin Afzal Ahmed and Priyakshi Mahanta for giving us guidance to continue our project work throughout the semester. We are grateful to our parents for their constant motivation, support and encouragement.

Last but not the list; We would like to thank all our friends and all those who had helped directly or indirectly towards the completion of this project work.
