Acknowledgements

I am highly indebted to my project guide Dr. Bhogeswar bora, Associate Professor of CSE department, Tezpur University, who has been the guiding force behind this Project work. His constant encouragement, invaluable suggestions and support from an early stage of this research has been the key ingredients for the success of my project work. I consider it as my good fortune and proud to record that I had the opportunity to work with such a wonderful person.

I am highly grateful to Dr. Shyamanta M Hazarika, Head of the Department, Department of Computer Science & Engineering, Tezpur University, for his constant support in providing necessary facilities during the course of the work.

I would also like to express my gratitude to other staff members of Computer Science & Engineering department, of Tezpur University, for providing academic inputs, guidance and encouragement throughout this period. My thanks and appreciations also go to the people who have willingly helped me out with their abilities in developing the project.

Nikhil Kumar Gupta
