Certificate

This is to certify that the work presented in this report entitled "**IDENTIFYING COHERENT GENE PATTERNS USING A MODIFIED PEARSON'S CORRELATION MEASURE**" submitted in partial fulfillment of the requirement for the award of the degree of B. Tech (CSE), is an original work carried out by **SURANJON SARMA** (CSB07022) under my supervision. The work has not been submitted to any other institute for the award of any other degree or diploma.

The matter embodied in this report is original and has not been submitted to any other University or Institute.

ACKNOWLEDGEMENT

Through this acknowledgement I would like to express my sincere gratitude to my project guide, **Mrs. Rosy Sarmah**, Assistant Professor, Department of Computer Science and Engineering, Tezpur University, who had been helping me throughout the project. She is always ready and patient to help me with questions and problems in this work. I am genuinely thankful for her constant vigilance and support at every step of the project, ranging from explaining the concepts and technicalities involved to constantly motivating me for quick completion of the project. Without her guidance, the project would have never been completed.

My sincere thanks to **Dr. Utpal Sarma**, Head, Department of Computer Science and Engineering, for his valuable support for extending all required facilities for the completion of this project work.

I am grateful to all the students of B.Tech, for their kind support and helping me with valuable suggestions and technical conceptions during my project work.

Again, my sincere thanks to all those who helped me directly or indirectly towards the completion of this project work.

Tezpur University   *Suranjan Sarma*
