ACKNOWLEDGEMENT

We express our deep and sincere gratitude to Mr. S. Ibotombi Singh, Assistant Professor, Tezpur University, Department of Computer Science and Engineering, Tezpur University, Napaam, Tezpur, who has been our supervisor since the beginning of this study as well as the project. This project had been far beyond completion without his exquisite support. We are greatly indebted for his valuable, constructive and critical guidance throughout the tenure of this project.

We would also like to express our solemnized gratitude and thanks to all my friends who had been by my side and pouring their valuable advice and encouragement. We are also thankful to them for their help in carrying the system implementation and as well as in every step of the project.
