ACKNOWLEDGEMENT

At the outset we express our deepest gratitude to our supervisor and guide *Dr. Sarat Saharia, Associate Professor, Department of Computer Science And Engineering, for* giving us the opportunity of undergoing this project under his guidance. It was due to his guidance and motivation that we could pick up new concepts and implement them.

Successful progress of this project would have been very difficult for us without the support from *Rustam Ali* who provided us with all the technical support that we needed.

We are also grateful to *Dr. Utpal Sharma*,Professor and Head of the department, Computer Science and Engineering, for facilitating us with the environment for undergoing our project work.

Saswat Baruah(CSB09059)
