Acknowledgement

It gives us immense pleasure to express my deep and sincere gratitude to our supervisor, **Mr. Loitongbam Basantakumar Singh**, for his immense help and support during the project. His quality of noticing positive aspects kept us going in hard times. He made work interesting and exciting. This always pushed us to work harder and further. We sincerely feel that he is a wonderful teacher and guide.

We also take the opportunity to thank **Dr. Shyamanta M Hazarika**, Professor and Head of Department of Computer Science & Engineering, Tezpur University for granting us the opportunity to pursue the project and also providing us the necessary resources for the project to continue.

We express our heartfelt gratitude to the teaching and non-teaching staff of the Department of Computer Science & Engineering for their help in different aspects of the project.

We are also highly thankful to Department of Computer Science & Engineering, Tezpur University for their kind support and guidance.

Last, but not the least, we would like to thank our family members and our friends for their moral supports.

Thanking all.

B Hemanta Kumar Rao (Roll. No. CSB11047),

Rahul Kumar Rai (Roll No. CSB11079).
