ACKNOWLEDGEMENTS

We are indebted to our guide Prof. D. K. Saikia for his unique insight and warm guidance. He has always been encouraging and enthusiastic and it has been a genuine pleasure working with him. Thank you Sir.

It has been a great experience working in this project. We are obliged to the members of the DIT team for providing their valuable timely support and guidance. Thanks to Dr. N. Vijayaditya and his team for their valuable suggestions and recommendations. Your feedbacks have been really been our guiding path. Thank You.

How can we forget our group members without whom this project work would not have been this interesting? We would like to thank our group members for their constant mental support. Thank You team.

We would also like to thank all my classmates. Everybody, directly or indirectly have been associated in this work. Thank you all.

Bhadreshwar Choudhury

Rishi Kowsick sarmah
