## Acknowledgement

I would like to express my gratitude to all those who gave me the possibility to complete this project. I want to thank Associate Professor Dr. Utpal Sharma, HOD, Department of Computer Science & Engg. for giving me permission to commence this project in the first instance, in AMTRON, Bamunimaidam. I have furthermore to thank Mr. Siddhartha S. Satapathy, Assistant Professor, School Of Engineering as my internal guide for his stimulating support.

I would like to thank my supervisor Mr. Paresh Chandra Lahkar, Addl. Manager, Amtron whose help, stimulating suggestions and encouragement helped me in all the time of development of this project.

I am deeply indebted to Mr. Sasanka Sekhar Mahanta without whose help I would not be able to complete my project work within the stipulated time period. I would like to thank to him for all his support, interest and valuable hints.

Finally, I would like to thank all the individuals whose help and support have helped me to complete this project within stipulated time period.
