ACKNOWLEDGEMENT

At the outset, I thank the almighty God for making our endeavor a success. I express my gratitude to **Prof S. M. Hazarika**, HOD, Department of Computer Science and Engineering, Tezpur University, for allowing us to carry out the project work in DRDL.

I express my sincere thanks to **The Director, Defense Research and Development Laboratory (DRDL), Hyderabad** and **Director, Directorate of Instrumentation**, for allowing me to carry out the project work in Directorate of Instrumentation.

I express my deep and sincere gratitude to **Mr. P. L. Bora, Scientist 'F', Deputy Director, DOI, DRDL, Hyderabad**, for allowing me to carry out the project work, and who has been my supervisor since the beginning of this study and as well as the project. This project would have been far beyond completion without his exquisite support and guidance. I am greatly indebted for his valuable, constructive and critical guidance throughout the tenure of this project.

I extend my special gratitude to **Dr. Utpal Sharma**, Professor, and **Dr. B. Borah**, Associate Professor, of Department of Computer Science and Engineering, Tezpur University, for providing guidance, help and support to shape this project.

I would also like to express my solemnized gratitude and thanks to my seniors and classmates, who have been by my side and pouring their valuable advice and encouragement. I am also thankful to them for their help in every phase of the project, especially during testing and implementation.
