AKNOWLEDGEMENT

The major project is a primitive but very important learning step. We are fortunate to have been associated with so many people who have contributed immensely to help us take this step in the right direction.

At the very outset we convey our heartiest gratitude to our supervisors Dr. Sarat Saharia Sir and Mr. Pritom Rajkhowa Sir, for inspiring and constructively guiding us throughout each and every phase of our project.

We are also indebted to Dr. Lakhi Boral Sir for painstakingly explaining to us the minute details of the course registration system of Tezpur University.

Finally, we convey special thanks to our parents, teachers and our classmates for their moral support and inspiration throughout the duration of the project.
