ACKNOWLEDGEMENT

At the very outset I would like to thank Mr. Deepak Goswami, State Informatics Officer & Senior Technical Director, National Informatics Centre, Assam State Centre for giving me the opportunity to undertake the project entitled "Predictive business with JMS technology: A typical case" at NIC.

I convey my special thanks to Dr. Utpal Sharma, HOD, Department of CSE, Tezpur University for allowing me to undertake the Final Semester major project at NIC, Guwahati.

I am indebted to my guide Mr. Deepak Goswami for his unique insight and warm guidance. He has always been encouraging and enthusiastic and it has been a genuine pleasure working with him. I express my deepest sense of gratitude, thank you sir. It has been a great experience working in this project. Your feedback have been really been our guiding path.

I also express my gratitude towards my Academic guide Dr. P. J. Dutta, System Analyst, CSE Department, Tezpur University, for his timely support and encouragement throughout the study.

I would also like to thank Mr. Rahul Deka, Scientific Officer, NIC Assam and my friends for guiding and helping me at every crucial step.

I owe my heartily appreciation for the constant inspiration, encouragement, help and moral support by my parents to keep working against odds.

With due regards,

Navajeet Saikia.
MCA 6th Semester
Tezpur University,
Assam.

DECLARATION

I hereby declare that the project entitled **"Predictive Business with JMS Technology: A Typical Case."** has been done by me, Navajeet Saikia (CSM08019) under the organisation named National Informatics Centre, Assam state Centre, Guwahati and submitted to the Department of Computer Science and Engineering, Tezpur University, in partial fulfilment of the requirements of the degree of Master Of Computer Application and has not been submitted for any purpose elsewhere, in part or full.
