## ACKNOWLEDGEMENTS

It is my great pleasure to show due regards to persons involved in bringing out successful completion of the thesis work entitled "Proactive approach for mitigating SLA violation by workload management in SaaS cloud " undertaken by me as a prerequisite towards partial fulfillment for the award of Master of Technology with specialization 'Information Technology' at Tezpur University.

It would not be possible for me to achieve success with my effort alone. There were a lot of people who extended their supportive hands towards me in the way of making my work a success. It is a pleasure to convey my gratitude to all of them.

I am highly grateful to Prof. Shyamanta M. Hazarika, Head of the Department, Department of Computer Science & Engineering, Tezpur University, for his constant support in providing necessary facilities during the course of the work. I extend my sincere thanks to other faculty members, research scholar and laboratory staff of the department, for their generous help in various ways.

I am highly grateful to my guide Prof. Dinesh Dash, Assistant professor, Department of Computer Science & Engineering, Tezpur University, for his constant support in providing necessary facilities during the course of the work.

I am especially indebted to my parents and Rimjim Deka for their love, sacrifice, and support. I would like to thank for all the thoughtful and mind stimulating discussions we had, which prompted me to think beyond the obvious.

I am also thankful to my batch mates specially Abhijeet Talukdar, Tikaram Sanyashi, Samujjal Baruah, Kangkan Talukdar and Manish Kumar for their kind cooperation during the entire process. Finally, I extend my gratefulness to all those who are directly or indirectly involved in this work.
