ACKNOWLEDGEMENTS

Its my great pleasure to show due regards to persons involved in bringing out successful completion of the dissertation work entitled "*Fuzzy Rule Based System for Decision Making in Share Market*" undertaken by me as a prerequisite towards partial fulfillment for the award of Master of Technology in Information Technology at Tezpur University.

I would like to convey my heartiest gratitude to my project guide Dr. Bhogeswar Borah, Professor, Department of Computer Science & Engineering, Tezpur University, who has been the guiding force behind this project work. I am greatly indebted to him for his constant encouragement, invaluable suggestions and support from an early stage of this research and providing me extraordinary throughout the work . I consider it as my good fortune and proud to record that I had the opportunity to work under such a wonderful person.

I also convey my special thanks to my parents, other department faculty members and my batch mates, seniors and juniors and those who are directly or indirectly involved in this work for their moral support and inspiration throughout the duration of this project.
