ACKNOWLEDGEMENT

We feel immense pleasure and privilege to express our deep sense of gratitude and feel indebted towards all those people who have helped, inspired and encouraged us during the preparation of this thesis. Mostly, we would like to thank **Mr. Bhogeswar Borah**, who provided us this opportunity to highlight the key aspects of an upcoming technology and guided us during the project work preparation.

We also take the opportunity to thank Dr. Shyamanta M. Hazarika, Professor and Head of Department of Computer Science and Engineering, Tezpur University for granting us the opportunity to pursue the project and also providing us the necessary resources for the project to continue.

We are also thankful to TU power line officials for providing us the required station data records.

Finally, we would like to thank our parents for their support and upbringing. Nothing would have been possible without them.

Thanking You

Aditya Baid – CSB10014

Abhinav Phukan –CSB10059
