School of Engineering
Tezpur University
Tezpur-784028, Assam, India

Certificate

This is to certify that we have examined this report on “**SMS spam detection using ensemble-based machine learning approach**” and here by accord or approve of it as a study carried out and presented in a manner required for its acceptance and fulfillment for the Bachelor Degree (Computer Science & Engineering) for which it has been submitted by

Vamsi Krishna Ch(Roll no: CSB11083)

Abhyuday Pal (Roll no: CSB11080)

This approval does not necessarily accept every statement made, opinion expressed or conclusion drawn as recorded in this thesis. It only signifies the acceptance of this thesis for which it has been submitted.

The Viva-Voce examination of above candidates of 8th semester B.Tech (Computer Science & Engineering) of their project has been held on 2014-2015 and found satisfactory.

Dr. Dhruba K Bhattacharyya

Certificate

This is to certify that Vamsi Krishna Ch (Roll no: CSB11083) and Abhyuday Pal (Roll no: CSB11080) are completing a project as required by Department of Computer Science & Engineering, Tezpur University.

The project titled “**SMS spam detection using ensemble-based machine learning approach**” is being done under the supervision of **Dr. Dhruba K Bhattacharyya**. The progress report is satisfactory and worthily of acceptance for the award of Bachelor of Technology in Computer Science & Engineering.

Declaration of Authorship

We declare that this project report entitled "**SMS spam detection using ensemble-based machine learning approach**" is, to the best of our knowledge and belief, original and the result of our investigation, except as acknowledged. Further, it has not been submitted, either in part or whole, for a degree at this or any other university.

Abhyuday Pal (Roll No: CSB11080)

Acknowledgement

It gives us immense pleasure to express my deep and sincere gratitude to our supervisor, **Dr Dhruba K Bhattacharyya**, for his immense help and support during the project. His quality of noticing positive aspects kept us going in hard times. He made work interesting and exciting. This always pushed us to work harder and further. We sincerely feel that he is a wonderful person as an introducer to the research world.

We also take the opportunity to thank **Dr. Shyamanta M Hazarika**, Associate Professor and Head of Department of Computer Science & Engineering, Tezpur University for granting us the opportunity to pursue the project and also providing us the necessary resources for the project to continue.

We express our heartfelt gratitude to the teaching and non-teaching staff of the Department of Computer Science & Engineering for their help in different aspects of the project.

Thanking all.

Vamsi Krishna Ch (Roll No: CSB11083)
Abhyuday Pal (Roll No: CSB11080)
