ACKNOWLEDGEMENT

Any jobs in this world, however trivial or tough cannot be accomplished without the assistance of the others. I would hereby take the opportunity to express my indebtedness to people who have helped me to accomplish this task. The present line of accomplishment is not a formality but an honest word of appreciation that has exactly been felt by during my project.

First, I would like to thank ***Mrs Rekha Dongre***, Software AG Bangalore, for providing unwavering support and the opportunity to work in this organization. This project had been far beyond completion without her exquisite support. I am greatly indebted for her valuable, constructive and critical guidance throughout the tenure of this project.

I would also like to express my solemnized gratitude and thanks to all the teachers of ***Tezpur University, Assam*** who had been by my side and pouring their valuable advice and encouragement. I am also thankful to them for their help in carrying the system testing and implementation and as well as in every step of the project.

Last but not the least; I am also thankful to my batch mates for their kind co-operation during the entire process. Also thanks to my parents for their motivation and support.
