ACKNOWLEDGMENT

A word of encouragement from those who have a concern for us always accomplishes much good. In the journey of our project work, many people have encouraged us, and extended their help in every sphere of our need. We would like to express our deepest and sincerest gratitude to our project guide, Dr. Bhogeswar Borah, for guiding us immensely throughout the course of the project. He always showed a keen interest in our work and his constructive advice and constant motivation have been responsible for the successful completion of this project.

We would like to thank Dr. Utpal Sharma, Head, Department of Computer Science and Engineering, Tezpur University, for his co-ordination in extending every possible facility for the completion of this project.

Lastly, we would like to end the acknowledgment with sincere thanks to our parents and our brothers and sisters and our friends and the Almighty for always paving a way for us to move ahead with higher prospects in life.
