

Table of Contents

Chapter 1

Introduction.....	1-7
-------------------	-----

Chapter 2

Adaptive Binarization methods	8-21
2.1 Niblack's approach.....	8
2.2 Sauvola's approach	9-10
2.3 Degraded Document Image Binarization by B. Gatos et al.	11-19
2.3.1 Preprocessing.....	11-13
2.3.2 Rough estimation of foreground text regions.....	14
2.3.3 Estimation of approximate background surface.....	15-18
2.3.4 Final Thresholding.....	18
2.3.5 Postprocessing.....	19
2.4 Document Image Binarization by Yahia S. Halabi et al	19-21

Chapter 3

Experimental Results	22-30
----------------------------	-------

Chapter 4

Conclusion	31
------------------	----

Chapter 5

References.....	32
-----------------	----
