Acknowledgement

It is my great pleasure to show due regards to persons involved in the Progress of the project entitled "**Sweep Coverage For Boundary Of Rectangular Region Using Geometric Approach**" undertaken by me as a prerequisite towards partial fulfilment for the award of M.Tech in Information Technology at Tezpur University.

It would not possible for me to achieve the success with my effort alone. There were a lot of people who extended their supportive hands towards me in the way of making my work a success.

I would like to express my deep and sincere gratitude to my supervisors Dr. Arindam Karmakar and Dr. Dinesh Dash for their immense help and support during the project. This work could not have reached the present form without his help and assistance.

I would also thank Dr. Shyamanta M Hazarika, Professor and Head of Department of Computer Science and Engineering, Tezpur University for granting us the opportunity to pursue the project and I would like to acknowledge everyone who contributed directly or indirectly for the fulfilment of this project work.
