ACKNOWLEDGEMENTS

It's my great pleasure to show due regards to persons involved in bringing out successful completion of the thesis entitled *"Text Normalization and Summarization"* undertaken by me as a prerequisite towards partial fulfillment for the award of the degree of *Master of Technology* with specialization *'Information Technology'* at Tezpur University.

It would have not been possible for me to achieve success with my effort alone. There are a lot of people who extended their supportive hands towards me in the way of making my work a success. It is a pleasure to convey my gratitude to all of them.

First of all, I would like to express my deep sense of respect and gratitude towards my advisor and guide *Dr. Utpal Sharma*, who has been the guiding force behind this project work. I am greatly indebted to him for his constant encouragement, invaluable suggestions and support from an early stage of this research and providing me extraordinary experiences throughout the work. I consider it as my good fortune and proud to record that I had the opportunity to work with such a wonderful person.

I extend my sincere thanks to other faculty members and laboratory staff of the Department, for their generous help in various ways for the completion of the work.

I am especially indebted to my parents for their love, sacrifice, and support. I would like to thank for all the thoughtful and mind stimulating discussions we had, which prompted me to think beyond the obvious. Finally, I extend my gratefulness to all those who are directly or indirectly involved in this work.
