ACKNOWLEDGEMENT

Every work accomplished is a pleasure, a sense of satisfaction. Hence we would like to use this opportunity to thank all the people, who have directly or indirectly helped us to accomplish this project.

We are grateful to **Dr. Shyamanta. M. Hazarika, HOD, Computer Science & Engineering, Tezpur University** for providing all the possible facilities available in the department for carrying out our project smoothly.

We would like to thank our mentor, guide **Dr. Sarat Saharia, Associate Professor, Computer Science & Engineering, Tezpur University** without whose valuable suggestion and guidance this project would have not been completed.

We would like to express our gratitude to **Mr. Abhijit Baishya, Junior programmer, Computer Centre, Tezpur University** for allowing us to carry out the project work, and supervising the whole process.

Last but not the least, we are always thankful and indebted to our parents, friends, for their co-operation and solutions to the problems during the entire process.
