Acknowledgement

Gliding down the days of development of the project entitled "**To design and develop a bilingual dictionary(English to Assamese and Assamese to English)for android devices**" we share a thought of ovation to all the people for their support, valuable advice and guidance that has helped us in carrying out this work.

At the very outset , we would like to acknowledge our sincere thanks to our Guide Mr. Sanjib Deka, Assistant Professor ,Department of Computer Science and Engineering, Tezpur University for his guidance through our way to completion of our project and his indefatigable spirit for our work, which was a source of motivation for us.

Our special thanks goes to Dr. Utpal Sharma, Professor, Department of Computer Science and Engineering, Tezpur University for his guidance, encouragement and valuable ideas for the completion of the project.

Last, definitely not the least, we would like to thank our friends who have helped us in this endeavor.

Junak kashyap

Rajuraj kalita

Pallab Jyoti Nath
