ACKNOWLEDGEMENT

At the very outset we would like to acknowledge our sincere thanks to Prof. Shyamanta M Hazarika, Head of the dept. of Computer Science and Engineering, Tezpur University, for providing us with the opportunity to carry out this Project work.

We would like to extend our heartfelt gratitude to Mrs Sanghamitra Nath, Assistant Professor, Dept. of Computer Science and Engineering, Tezpur University for allowing us to carry out the project work under her esteemed guidance and motivation, which would not have been possible without her constant support.

We would like to take this opportunity to thank all the concerned faculty members of the Dept. of Computer Science and Engineering for their invaluable suggestions, reference and encouragement.

Finally we would like to thank our family members and our friends for their moral supports.
