# ACKNOWLEDGEMENT

We Owe a Debt of Gratitude to Dr. Bhogeswar Borah (Tezpur University) for the vision and foresight which inspired us to conceive this Project.

We would like to express my gratitude towards my project guide once again for providing me with resources as and when required for completing the project entitled "University Grading System Using Fuzzy Logic" under his proper vision.

In spite of his busy schedules, his frequent valuable advices and master suggestions at every stage have leaded the project to a complete systematic work. This project without his guidance could not have taken its shape.
