ASSAM, INDIA

CERTIFICATE

This is to certify that we have examined this report on **"Distributed Document Clustering Using K- Means"** and here by accord or approve of it as a study carried out and presented in a manner required for its acceptance and fulfillment for the Bachelor Degree (Computer Science & Engineering) for which it has been submitted by

Niraj Kumar (CSB11063)
Raushan Kumar (CSB11077)

This approval does not necessarily accept every statement made, opinion expressed or conclusion drawn as recorded in this thesis. It only signifies the acceptance of this thesis for which it has been submitted.
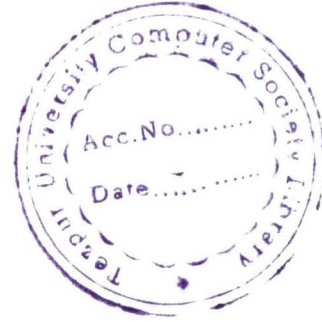

The Viva-Voce examination of above candidates of 8th semester B.Tech (Computer Science & Engineering) of their project has been held on June 3, 2015 and found satisfactory.

ACKNOWLEDGEMENT

The satisfaction of the completion of this project would be incomplete without acknowledging the contribution of all those people who have helped us with their valuable suggestions.

First of all we would like to thank our supervisor **Dr. Dhruba K Bhattacharyya**, Professor, Department of Computer Science and Engineering, Tezpur University for his support and guidance, without which the completion of the project would not have been possible.

We also offer our sincere gratitude to *prof*. **Dr. Shyamanta M Hazarika**, Head of the Department, Department of Computer Science and Engineering, Tezpur University for giving us the opportunity to do this work.

I am also indebted to the Computer Science and Engineering Department of Tezpur University for providing us an opportunity to carry out the project as a part of the curriculum of Bachelor's of Engineering programme in Computer Science.

Thanking you all,

Raushan Kumar   (CSB11077)

Niraj Kumar   (CSB11063)
