Acknowledgement

It is my great pleasure to show due regards to persons involved in bringing out my successful completion of the dissertation entitled "*A Study On Document Ranking System In Information Retrieval System*" undertaken by me as a prerequisite towards partial fulfilment for the award of M.Tech in Information Technology at Tezpur University.

It would not possible for me to achieve the success with my effort alone. There were a lot of people who extended their supportive hands towards me in the way of making my work a success. First of all my heartiest gratitude goes to my project guide Dr.Utpal Sharma Professor of Computer Science & Engineering, Tezpur University for his excellent guidance and valuable suggestion during the course project. My sincere thanks to all faculty members of the department for their support during this project,

Last but not the least I am also thankful to my class mates and friends for their kind cooperation during the entire process. I would like to acknowledge everyone who contributed directly or indirectly for the fulfilment of this project work.

I dedicate this thesis to those who believed in me, my parents and family.

Sutanu Paul
