CHAPTER- I INTRODUCTION

1.1 Introduction ---------- 1

1.2 Background ---------- 1

1.2.1 ICT in Indian Education ---------- 4

1.2.2 National Policy on Education in India ---------- 9

1.2.3 Higher Education in India ---------- 10

1.3 Purpose of the study ---------- 12

1.4 Significance of the study ---------- 14

1.5 Statement of the problem ---------- 14

1.6 Research Questions ---------- 15

1.7 Information and Communication Technology ---------- 15

1.8 Role of ICT in Higher Education ---------- 16

1.8.1 ICT in Teaching and Learning ---------- 16
1.8.2 ICT in Administration ---------- 19
1.8.3 ICT in Research ---------- 20
1.8.4 ICT as a change agent in higher education ---------- 20
1.8.5 ICT as a change agent in society ---------- 22
1.9 Chapterization of the Thesis ---------- 23
1.10 Definition of key terms ---------- 25
1.11 Chapter summary ---------- 26
References ---------- 27

CHAPTER- II REVIEW OF LITERATURE

2.1 Introduction ---------- 30
2.2 Information and Communication Technology (ICT) ---------- 30
2.3 Role and importance of ICT in Higher Education ---------- 30
2.4 Use of ICT in Teaching and Learning (TLP) ---------- 33
2.4.1 Role of Teachers ---------- 39
2.4.2 Students and Learning ---------- 42
2.4.3 Use of ICT in Pedagogy ---------- 44
2.4.4 Attitude towards use of ICT ---------- 46
2.5 NET Generation ---------- 48
2.6 Global Trends in Educational ICT Practices ---------- 49
2.7 ICT in India Education ---------- 51
2.8 Factors Affecting ICT usages in Universities ---------- 52
2.9 Impact of ICT in Higher Education ---------- 55
2.10 Gaps in Literature ---------- 56
2.11 Chapter Summary ---------- 57
References ---------- 58

CHAPTER- III THEORETICAL FRAMEWORK

3.1 Introduction ---------- 62
3.2 Theories and frameworks ---------- 62

3.3 Technology Acceptance Model (TAM) ---------- 63
3.3.1 Perceived Ease of Use (PEOU) ---------- 64
3.3.2 Perceived Usefulness (PU) ---------- 65
3.3.3 Attitude towards using technology ---------- 65
3.3.4 Behavioral intention of use ---------- 65
3.3.5 Justification of TAM ---------- 66
3.4 Diffusion of Innovation (DOI) ---------- 66
3.4.1 Innovation ---------- 67
3.4.2 Communication Channels ---------- 69
3.4.3 Time ---------- 69
3.4.4 Adopter Categories ---------- 70
3.4.5 Social System ---------- 71
3.4.6 Justification of DOI to this study ---------- 71
3.5 UNESCO's continuum model of ICT development ---------- 72
3.6 Chapter Summary ---------- 75
References ---------- 76

CHAPTER- IV RESEARCH METHODOLOGY

4.1 Introduction ---------- 78
4.2 Research Methodology ---------- 78
4.3 Research Design ---------- 79
4.4 Population and Sample of the study ---------- 82
4.4.1 Selection of universe ---------- 84
4.4.2 Selection of respondents ---------- 84
4.5 Pilot Study ---------- 89
4.6 Research tools used for data collection ---------- 90
4.7 Procedure of data collection ---------- 91

4.8 Statistical techniques used for data analysis ---------- 91

4.9 Ethical considerations in the research ---------- 92

4.10 Chapter Summary ---------- 93

References ---------- 94

CHAPTER- V FINDINGS, ANALYSIS AND DISCUSSION

5.1 Introduction ---------- 97

5.2 Demographic indicators of the respondents ---------- 97

5.2.1 Gender ---------- 97

5.2.2 Residence of student ---------- 98

5.2.3 Schools and Departments ---------- 99

5.3 Understanding ICT ---------- 100

5.4 Analysis of Research Question 1: ICT tools and methods used in Universities of Assam ---------- 102

5.4.1 Availability of ICT facilities ---------- 102

5.4.2 Major ICT facilities required by students' ---------- 102

5.4.3 Software needed by students for their courses ---------- 103

5.4.3 Availability of e-journals and database ---------- 111

5.4.4. Availability of Training and support for ICT use ---------- 112

5.5 Analysis of Research Question 2: Impact of ICT tools and methods and its benefits in the pedagogy ---------- 118

5.5.1 Students feedback on utilization of computer ---------- 118

5.5.2 Teachers' technological expertise in class ---------- 121

5.5.3 Impacts of ICT on teaching-learning process ---------- 127

5.5.4 Students' preference of ICT facility in their classes ---------- 130

5.5.5 Students –teachers' future integration of technology ---------- 136

5.6 Analysis of Research Question 3: Issues that hinder proper integration of ICT in the pedagogy ---------- 138

5.6.1 Physical facilities ---------- 139

5.6.2 In-house regulations and code of conduct ---------- 139

5.6.3 Technical support ---------- 141
5.6.4 Perceptions towards ICT ---------- 143
5.6.5 Challenges of ICT implementation in curriculum ---------- 144
5.7 Suggestions ---------- 148
5.7.1 Physical facilities ---------- 148
5.7.2 Trainings ---------- 149
5.7.3 In-house regulations / policies ---------- 150
5.8 Chapter Summary ---------- 153
References ---------- 154

CHAPTER- VI SUMMARY, CONCLUSION AND IMPLICATIONS

6.1 Introduction ---------- 156
6.2 Summary ---------- 156
6.3 Understanding ICT ---------- 157
6.4 Training and support ---------- 157
6.5 Availability of ICT facilities ---------- 158
6.6 Importance and utilization of ICT ---------- 158
6.7 Impacts of ICT on the teaching-learning process ---------- 160
6.8 Major challenges in ICT utilization ---------- 160
6.9 Suggestions ---------- 161
6.10 Suggestions for future research ---------- 162
6.11 Conclusion ---------- 163
6.12 Implications ---------- 164
References ---------- 166

LIST OF TABLES

Table No.	Title	Page No.
Table 1.1	Growth of Educational Institutions in India from 2012-13 to 2015-16	11
Table 1.2	Educational Institutions in Assam	11
Table 4.1	Sample size table of Krejcie & Morgan (1970)	82
Table 4.2	Population of the study	83
Table 4.3	Determined sample size	83
Table 5.1	Gender ratio of respondents	97
Table 5.2	Residence of students	98
Table 5.3	Student distribution (school and programme wise)	100
Table 5.4	Students' understanding about ICT	101
Table 5.5	Major ICT facilities required by students' in their programmes	103
Table 5.6	Students and teachers feedback on the availability of ICT facilities	104
Table 5.7	ICT experts and administrators' feedbacks on the availability of computer in department, library, laboratory etc	107
Table 5.8	ICT experts and administrators' feedback on home page, email account and LAN	110
Table 5.9	Availability of e-journals and data base	111
Table 5.10	Use of virtual learning system	112
Table 5.11	Students' view on the need for training	112
Table 5.12	ICT expert and administrators' view on training	113
Table 5.13	Students view on the quality of technical support	114
Table 5.14	Teachers' view on the quality of support	116
Table 5.15	ICT experts and administrators' view on the maintenance of ICT equipment	116
Table 5.16	Teachers' view on the quality of technological support	117
Table 5.17	ICT expert and administrator satisfaction on the overall ICT facilities provided by their universities	117
Table 5.18	Students feedback on utilization of computer	119
Table 5.19	Teachers' technological expertise in class	122
Table 5.20	Students' ability in Microsoft office	124
Table 5.21	Skill of students while using Internet, email etc.	125
Table 5.22	Impact of ICT in learning	129
Table 5.23	Students' preference of ICT facility in their classes	131
Table 5.24	Impact of ICT on student-teacher relationship	132

Table 5.25	Effect of excessive technology usage	133
Table 5.26	Use of Technology by teachers in communication and learning	133
Table 5.27	Use of technology for teachers and students development	134
Table 5.28	Technology as a management tool	135
Table 5.29	Students –teachers' future integration of technology	136
Table 5.30	Students feedback on the effects of regulations on ICT	140
Table 5.31	Level of Impact of technical support in the teaching learning process	142
Table 5.32	Attitudes of teachers and students towards ICT	143
Table 5.33	Impact of ICT on curriculum-related implementation	145
Table 5.34	Impact of ICT facilities on teaching-learning process	146
Table 5.35	Teacher and ICT experts' suggestion for ICT facility improvement	148
Table 5.36	Teacher and ICT experts' suggestion for training	150
Table 5.37	Suggestion on policies	151
Table 5.38	Suggestions on the use of technology	152

LIST OF FIGURES

Figure No.	Title	Page No.
Figure 1.1	Map of India	2
Figure 1.2	Map of Assam	4
Figure 3.1	Original Technology Acceptance Model (Davis et al. 1989, p.985)	63
Figure 3.2	Five stages of Innovations (adapted from: Rogers, 2003, p.281)	67
Figure 3.3	Rogers' Innovation adoption Curve (adapted from: Rogers, 2003, p.281)	70
Figure 3.4	UNESCO's Continuum for ICT development (UNESCO, 2002, p.14)	72
Figure 3.5	Stages of ICT development (UNESCO, 2002, p.17)	74
Figure 4.1	Sample frame of student population	85
Figure 4.2	Assam University student sample frame	85
Figure 4.3	Dibrugarh University student sample frame	86
Figure 4.4	Tezpur University student sample frame	86
Figure 4.5	Gauhati University student sample frame	87
Figure 4.6	Sample frame of teachers population	87
Figure 4.7	Assam University teachers sample frame	88

Figure 4.8	Dibrugarh University teachers sample frame	88
Figure 4.9	Gauhati University teachers sample frame	88
Figure 4.10	Tezpur University teachers sample frame	89
Figure 5.1	Gender distribution of respondents	98
Figure 5.2	Residence of students	99
Figure 5.3	Student distribution (school and programme wise)	99
Figure 5.4	Software needed by students for their courses	103
Figure 5.5	Availability of teachers' laptops and desktop computers	106
Figure 5.6	ICT experts and administrators' feedback on the availability of computers	108
Figure 5.7	ICT expert and administrators' feedback on the availability of interactive board	109
Figure 5.8	Students' view on the quality of technical support	114
Figure 5.9	Teachers' view on the quality of technical support	115
Figure 5.10	Students agreement on the use of computer as mentioned the following statements	120
Figure 5.11	Students agreement for use of computer in regular academic work	121
Figure 5.12	Teachers' technological expertise in class	122
Figure 5.13	Impact of ICT in learning process	130
Figure 5.14	Students' preference of ICT facility in their classes	131
Figure 5.15	Inadequacy of ICT facilities	139
Figure 5.16	Impact of in-house regulation on downloading, surfing and e-resources	141
Figure 5.17	Feedback of teachers, students and ICT experts and administrators on technical support	142

ANNEXURE

Annexure No.	Title	Page No.
Annexure 1	Impact of insufficient number of computers, interactive board, internet speed etc.	167
Annexure 2	Questionnaire for student	168
Annexure 3	Questionnaire for teachers	173
Annexure 4	Interview schedule for ICT experts and administrators	178

Abbreviations

TLP	: Teaching Learning Process
HEI	: Higher Educational Institutions
