Acknowledgements

It is a matter of immense pleasure and fortune for me to express deep sense of gratitude to my supervisor Mr. Pralay Kumar Karmakar for his dynamic guidance, constant encouragement, meticulous supervision and moral support that I have received all through my project work. His valuable suggestions and lively discussions were inspiring enough to put my best efforts into my work. Needless to say, I will be highly obliged to him for all the time.

I extend sincere appreciation to my all those friends and research scholars of the Physics department who ever helps and encouraged me in my project work. I would also like to thank all the faculty members of our department for their help.

I am indebted to my family Ma, Babu,,My dear little sister Anima for their continuous encouragement, moral support and blessings.

Animesh Barman.
