

ACKNOWLEDGEMENTS

I take the opportunity to express my deepest gratitude to my mentor and guide prof. Kedilezo Kikhi, whose relentless motivation enabled me to complete this arduous task. I am truly indebted to him for guiding me through the thick and thin of this journey and for being the pillar of support through years that I have known him. But for his valuable inputs and consistent vigil on the progress of my work, the research work undertaken by me would have failed to achieve fruition.

I cannot thank enough my parents for their unfailing support towards my efforts. I would like to make a special mention of my mother for providing me with all possible assistance in order that I may be able to complete my work and my father for being my source of inspiration and strength.

I am thankful to Indian Council of Medical Research, New Delhi for having sponsored a research project entitled ‘Gender and Mental Health in Assam’ jointly undertaken by my guide and me. The rudimentary ideas of the present study had germinated in the course of the research conducted under the aegis of the project. I extend my gratitude to the Superintendent of North Eastern Regional Multipurpose School and Handicapped Training Centre at Balipukhuri, Sonitpur District, members of Tezpur District Mahila Samity, my friends, associates and acquaintances who helped me trace the subjects of my study. My sincere gratitude to all those in the field for patiently bearing with my intermittent visits and long interview sessions.

I acknowledge the untold support extended to me by my friend Dr. Amiya Kumar Das with a deep sense of gratitude. I thank Dr. Rupesh Gupta for his kind help at critical junctures of the study. I thank my sisters, my husband and my in-laws for their good wishes. I thank Dr. Manashdeep Dey, Dr. Bhanu P. Gogoi and Dr. Moushumi Mahanta for being there whenever I needed them.

Doley, Director, Centre for Inclusive Development, Tezpur University for their kind support and good wishes. I thank Prof. P. K. Das, Dean, School of Humanities and Social Sciences, Tezpur University.
