

LIST OF FIGURES

Figure no.	Detail	Page no.
2.1	Theoretical frame work (the references of the variables are given in Table 1)	45
3.1	Location of Assam in India	72
3.2	Map of Assam showing study area	72
3.3	Diagrammatic representation of the research design	73
4.1	Microfinance providers in Assam	86
4.2	Geographical coverage of the MFIs in Assam	88
4.3	District wise concentration of MFI branch offices	89
4.4	Type I organization structure	93
4.5	Type II organizational structure	94
4.6	Type III organization structure	94
4.7	Debt funding for MFIs in Assam	98
4.8 (a)	Proportion of various sources of debt funds in NBFCs for the period of five financial years (figures in percentage)	99
4.8 (b)	Proportion of various sources of debt funds in NGO-MFIs for the period of five financial years (figures in percentage)	99
4.9	Trend of NOF of the MFIs	102
4.10	Composition of NOF in NBFCs	103
4.11	Composition of NOF in NGO-MFIs	104
4.12	DER of the MFIs	106
4.13	CAR (Median value) of the MFIs	108
4.14 (a)	Growth of the MFIs in Assam in terms of number of active borrowers (in millions)	109
4.14 (b)	Growth of the MFIs in Assam in terms of Gross loan portfolio of the MFIs (in INR millions)	109
4.15	Progress in managerial and non-managerial staff of the MFIs	113
4.16	Progress in number of staff in last five years	114
4.17	Trend in total assets of MFIs	115
4.18	Yield of the MFIs in Assam and India over the period of five years	119
4.19	Yield on gross loan portfolio of the MFIs of Assam	120
5.1	Total expense of the MFIs	130
5.2	Proportion of personnel expense and administrative expense in total operating expense of the NBFCs and NGO-MFIs	133
5.3	OER of MFIs in India and Assam	134
5.4	Operating expense ratio of the NBFCs and NGO-MFIs	135
5.5	Proportions of different components in finance expense	140
5.6	Trends of OER and FER of the NBFCs and NGO-MFIs	142
5.7	Trend in portfolio yield and OER of the MFIs	144
5.8	Share of Loan loss expense in NBFCs and NGO-MFIs	145
5.9	Return on assets of the MFIs in Assam and India	147
5.10	Return on equity of MFIs in Assam and India	148

(Continued)

5.11	Expense and revenue realization of MFIs in Assam for the period of five years	151
6.1	Proportion of each activity in total transaction cost of the clients	164
6.2	Total borrowing cost of MFI borrower	169
6.3	Relation of transaction cost and financial cost of in respect to loan amount	171
7.1	TOPSIS score of the MFIs for five financial years	185
7.2	Trend in OSS (based on lending model)	187
