

ACKNOWLEDGEMENTS

It gives me immense pleasure to express my profound gratitude and deep respect to my supervisor, **Dr. Ruli Borah**, *Associate Professor, Department of Chemical Sciences, Tezpur University*, for her guidance, suggestions, and moral support throughout the period of my research and also for introducing me to the fascinating field of research. She has inspired me with thought provoking discussions and invaluable lectures.

I thank Head of the Department of Chemical Sciences Prof. Ramesh C. Deka and doctoral committee members Prof. Nasreen S. Islam and Dr. Ashim J. Thakur for their valuable suggestion and concern.

I would like to thank all the teachers who taught me throughout my career from my primary school to University for their constant encouragement and well wishes.

I offer my gratefulness and sincere thanks to Prof. M. K. Chaudhuri, *Vice chancellor, Tezpur University*, for allowing me to do research in this university and providing necessary laboratory facilities to carry out research work.

I thank all the non-teaching staff of the Department, for their assistance on various occasions. I wish to acknowledge Sophisticated Analytical Instrumentation Center, Tezpur University for the analysis of the samples. I am thankful to all staff members of academic and finance section for their cooperation and help during the entire research period.

I wish to thank my friendly and cooperative lab seniors Dr. Kalyan Jyoti Borah and Dr. Papiya Dutta for their valuable help and my lab juniors Arup, Pinky and Susmita for creating a cheerful working atmosphere in the lab.

My heartfelt thanks to Rasna ba, Dhruba da, Sandhya, Gangutri, Kaberun, Mamon, Suchibrata for their valuable help. I would like to thank Sachi ba, Bhaswati, Jinu, Nandita and Moromi for the care. Far away from home, they made me feel at home. I would like to acknowledge all the research scholars of this university and all of my good friends for their help and support at various stages of my academic life.

I would like to appreciate those people who have contributed unknowingly and indirectly to face this challenging world. I would like to thank everyone who has helped me in any manner during the whole tenure of my research.

Words fail to express my heartfelt gratitude to my family who are my pillars of strength and it is because of them I have delved into research. Thank you my beloved Maa, Deuta and Bhaiti. I express special thanks to my husband Dr. Ranjit Thakuria for supporting me through every thick and thin and for constant moral support, patience, understanding and companionship. Without his help and inspiration, it would not be possible to complete this research work. Also, I would like to appreciate my in laws family specially Dada, Bou, Maa and Mahi for their love and extreme support till the completion of my work. I would like to thank Dul khura and khuri, Bunu, Sun mama and mami and all my uncle, aunty and cousins for all the love and affection I got from them. Dedicating this thesis to them is a minor recognition for their relentless support and love.
