

ACKNOWLEDGMENTS

First and foremost, I owe my deepest gratitude and thanks to my supervisor Dr. Panchanan Puzari. His inspiration, guidance and support have been invaluable to me in my research and his encouragement has taught me the patience and perseverance to bring out the best in my efforts.

I am really grateful to Prof. Ramesh C. Deka (current-HOD) for his valuable help and support in various aspects. I am also very thankful to all the faculty members of department of Chemical Sciences.

I am gratified to my Ph.D. DC members Prof. Tarun K. Maji and Prof. Ramesh C. Deka for their kind support and encouragement.

The unquestioning and unflinching support of my parents, they have been a constant comfort. I know that without them, I could not have come as far as I have. The simple support of my family has allowed me to achieve so much.

I would like to acknowledge the Sophisticated Instrumentation Facilities received from Tezpur University and DRL, tezpur. My warm thanks go to non-teaching and technical staffs of our department- Mr. Biraj Borah, Mr. Nipu Dutta, Mr. Sankur Phukan, Mr. Manuranjan Shrama, Mr. Raju K. Borah, Mr. Bubul Das and Miss Bobita Das for their timely help during the work.

The environment in the lab cannot be underestimated in its contributions to an enjoyable and productive working atmosphere. I am greatly obliged to my lab mates Sudarshan and Himadri for their needful help. I learned so much of chemistry along with so many stuffs from them.

I will ever remain grateful to Sweety, Pongkita, Chandrama, Manashi, Neon, Rasna ba, Parikhit and Bhaskar for paying their helpful hands and support all the way in my need. My special thanks to my brother Dr. Bijoy Kumar Das for his support and help.

I would like to thank Abhijit, Dr.Shaswat Barua, Pankaj, Anurag, Someeron, Himadri, Dipshikha, Pranita, Basanta, Rupa, Pinky, Runjun, Dimpee, Hemi, Samarjit , Pankaj da for their timely help.

My special thanks my seniors Shreemoyee ba, Nibedita ba, Chandramika ba, Goutom da and Amar da.

Finally, I am thankful for the financial assistance of both Tezpur University for Institutional Fellowship, DST-SERB-MoFPI sponsored research project (Regis.No DoRD/Chem.Sc/PP/20-210) fellowship and the Department of Chemical Sciences for providing the necessary laboratory facility.

Last but not the least I would like to thank almighty for the whole lot.
