

Acknowledgements

Firstly, I would like to express my sincere gratitude to my teacher and supervisor, Dr. Ruli Borah for the continuous support in my Ph.D study and related research, for her patience, motivation, and immense knowledge. Her guidance helped me in all the time of research and writing of this thesis. I could not have imagined having a better advisor and mentor for my Ph.D study.

Besides my supervisor, I would like to thank Head of the Department of Chemical Sciences and my doctoral committee members, Prof. Ramesh C. Deka and Dr. Utpal Bora, for their insightful comments and encouragement, but also for the important suggestions which incited me to widen my research from various perspectives.

I will always remain thankful to all the faculty members of Department of Chemical Sciences and technical/non-teaching staffs of the Departments for their immense support and help during the tenure of my research.

My sincere thanks goes to our Vice Chancellor Prof. Mihir Kanti Chaudhuri for providing me an opportunity to do research in this university. I also like to thank Council of Scientific and Industrial Research (CSIR) for financial support. I greatly acknowledge the Sophisticated Analytical Instrumentation Centre (SAIC), Tezpur University and Central Instrumentation Facility (CIF), IIT-Guwahati for the analysis of the different samples.

I must express my very profound gratitude and appreciation to my fellow lab mates Papia Ba, Parishmita Ba, Pinky and Susmita for their immense support and helping hands in my ups and downs and also in the process of researching and writing this thesis. It is very hard to forget all the fun we have had inside or outside the laboratory in last four years. This accomplishment would not have been possible without you.

A heartfelt thanks to the really supportive Pankaj Da, Prasanta Da and Lakhya Da for providing me with unflinching support and continuous encouragement throughout the period of research and also for all the unforgettable outings. Special thanks to my all my seniors, friends and juniors Siva da, Jeena ba, Iftikar da, Sandhya ba, Pakiza ba,

Sanchaita ba, Mamon, Rupa, Suchi, Gangutri, Kabirun, Bikash, Ramu, Sourav, Pranjal, Sourav. I am also indebted to my friends Bishnu, Amlan, Pranjal, Pingal, Pranjal Pratim, Dipankar and Uttam not for all their useful suggestions but also for being there to listen when I needed an ear.

Words cannot express how grateful I am to my parents and my sister for their endless support, guidance and all of the sacrifices that you've made on my behalf. Your prayer for me was what sustained me thus far. You always have been the constant source of strength and inspiration.

Arup Kumar Dutta
