

ACKNOWLEDGEMENT

At the very outset, I would like to extend my sincere gratitude to Professor Ramesh Ch. Deka, Department of Chemical Sciences, Tezpur University; my supervisor, for offering a precious opportunity to carry out my research work under his supervision. I truly acknowledge his continuous guidance, constant encouragement and help enabled me to manage the adverse situations encountered and made the research work a successful one.

I am grateful to honorable Vice-Chancellor, Tezpur University for giving me the opportunity to be a part of this institution and to complete my research work during the stipulated period. Furthermore, my sincere gratitude goes to the entire university fraternity for providing me all the basic necessities to make my stay in the campus comfortable during this period.

I am immensely pleased doing research work in the Department of Chemical Sciences of Tezpur University. I would stand obliged and thankful to the Professor Ashim Jyoti Thakur, Head, Department of Chemical Sciences of Tezpur University for allowing me to carry out my work in the department.

I truly thank my Doctoral Committee members, Professor Ruli Borah and Dr. Panchanan Puzari, Assistant Professor, Department of Chemical Sciences, Tezpur University for their valuable suggestions and help during my research period. I thank all the faculty members and staff of the Department of Chemical Sciences, Tezpur University for their cooperation and help at various times.

I am very much indebted to Dr. Pankaj Bharali, Assistant Professor, Department of Chemical Sciences, Tezpur University for his valuable suggestions, and constant help throughout my research period.

I am glad to offer my gratefulness to Dr. B. M. Choudary, former Distinguished Professor, Department of Chemical Sciences, Tezpur University for his invaluable suggestions and help during my research period.

I thank University of Grand Commissions (UGC), New Delhi for providing Rajiv Gandhi National Fellowship (RGNF).

I profoundly thank the reviewers of my manuscripts for their valuable comments and suggestions which helped me to improve my research work.

I convey heartfelt gratitude and respect to all my teachers from school days to post graduation level for their gracious suggestions and well wishes.

I offer my sincere thanks to my seniors, labmates and friends specially Nand Kishor Gour, Rasna Devi, Biraj Jyoti Borah, Pangkita Deka, Himadri Saikia, Kumar Kashyap Hazarika, Chiranjita Goswami, Debajyoti Bhattacharjee, Smita Chowdhury, Sandhya Rani Gogoi, Gangutri Saikia and Pallab Saikia for helping me time to time.

I must thank Deuta, Ma, Babu da, Bou and my little nephew (Aarush) for their love, support and blessings which has helped me to overcome all the hurdles that came across my path and being my greatest strength in every step of my life. The most important person in my life, Pranab, my husband, deserves special thanks and great appreciation for his love, support and understanding. I would like to deeply thank my mother in-law, Vindeo, Jaan ba, Munu ba, Dolly and all the family members of my in-laws for their help and continuous enthusiasm.

Lastly, I would like to deeply thank all the well-wishers for their blessings and prayers which encouraged me to achieve the goal. I would also like to thank everyone who is important to the successful realization of my journey, as well as express my apology that I could not mention personally one by one.
