

Acknowledgements

First and foremost, I express my earnest gratitude to my supervisor Prof. Nayan-deep Deka Baruah, for his precious proposals, continuous supportive gestures and for being an infinite source of motivation and inspiration. I have learned a lot from him, without his help I could not have completed my thesis effectively.

It is my privilege to acknowledge the facilities provided at the Department of Mathematical Sciences, Tezpur University.

I thank my Doctoral Committee Members, Department of Mathematical Sciences, Tezpur University for their co-operation and support.

My research is partially supported by a fellowship from UGC-SAP (DRS-I) project of Department of Mathematical Sciences, Tezpur University.

I would like to thank Dr. Bidyut Baruah, Assistant Professor, Bokakhat College, Assam and Mrs. Kuwali Das, Assistant Professor, Bodoland University, Assam, and my friends, Dimpal, Girbani, Jayanta, Monikanta, Junali, Manas, Mami, Mandip, Nilufar, Pallabi, Pearl, Suparna and Sougat for their wishes.

Finally, I thank my parents, my sister and my brother-in-law for their love and favors.
