

Acknowledgement

First, I bow in front of the Almighty, for His supreme graciousness that has conferred me with the ability to make this humble contribution at the service of the scientific community.

Words would be beyond the scope to rightfully acknowledge my Father, my Mother and younger brothers who always stood by me in all ups and downs throughout my life. Sincere thanks to my beloved Akan uncle, Meena aunty, matu and babu for their encouragement and support throughout my career.

I convey my earnest sense of thankfulness to my supervisor, Dr. Robin Doley, for introducing me to the wonderful field of snake venom. I am greatly indebted to him for his guidance, scientific forethought, illustrative discussions, beneficial suggestions, constructive criticism and realignment of research strategies.

I express my genuine sense of gratefulness to my doctoral committee members Prof. A. K. Mukherjee, Dr. S. K. Ray, Dr. M. Mandal and faculty members of the Department of Molecular Biology and Biotechnology, Tezpur University.

Sincere thanks and acknowledgment to the Forest Department of Assam, India for granting permission for venom extraction without which this study would not have been possible. I would also like to thank Prof. R.M. Kini, NUS, Singapore, Prof. B.S. Vishwanatha, UOM, Mysore, Prof. A.K. Buragohain, TU (on deputation as Vice-Chancellor, Dibrugarh University), Prof. P.P. Sahu, TU and Dr. R. Mukhopadhyay, TU for providing the laboratory facilities.

I am grateful to our present and past research group for their constant encouragement, support and beneficial interactions comprising of Rajeev K. Brahma, Maitreyee Sharma, Simran Kaur, Archana Deka, Debabrata Phukon, Bhaswati Choudhuri, Minhaz Ansari, Palakshi Das, Niharika Gogoi and Debajit Kalita.

I also take this opportunity to thank my seniors Dr. Debashree Saikia, Jayanti Singh, Medha Gujadhara, Dr. Ranjan D. Kalita, Dr. Jyoti P. Saikia, Dr. Sudhir Kumar Rai, Dr. Mayur M. Phukan, Viveeyan Saikia, Dr. Anupam Dutta, Anowar Hussain, Dr. Rahul Kumar, Dr. Jeetendra K. Roy, Dr. Samrat Paul, Dr. Himjyoti Dutta and Dr. Yeri Swami whose advice and constructive suggestions always boosted me in various ways.

I am indebted to Anil Hazarika, Prakash Kurmi, Ratan Bora, Naba Kumar Gogoi and Nabanit Kumar Roy for their assistance in instrumental analysis and getting through with various technical difficulties.

I thank Rajesh Sah, Nabajit Hazarika, Nilotpal Das, Dr. Saswat Kumar Bal, Ashish Doshi, Harshit Dhingra, Kaushal Kumar, Amit Jaiswal, Vikash Singh, Ajit Kumar Singh, Anurag Kumar, Ragin Raju, Mohammad Sadique, Rakesh Krishnaiah, Inderjit Pathak, Neha Prasad, Samruddhi Dere, Zahra Askavan, AN. Nanjaraj Urs, Suvilesh Kanve, Vikram Joshi, CL Lakshmikanth, Amog Urs, Manju Prasanna Gowda, GV Rudresha Mithun Das, Biman Das, Pallab Nandan Das especially for providing me with counter frustration strategies many a times.

My deep sense of gratitude to Suranjana Bhaswati Borah (Pipili), Jyothi Suprajarama (Jo), Mahesh Reddy (Chirutha), Abhilash Hegde (Brahmin) and Kamal Jyoti Das (Kampii) for being with me in both my prosperity and adversity.

Sincere thanks to all my beloved juniors Jagat Dwipendra Rai, Bhaskar Jyoti Gogoi, Bidyut Sarania, Kaustav Rakshit, Ajay Manhar, Kuldeep Gupta, Pranjali Pratim Das, Manoj Das, Debananda Gogoi, Bhargab Kalita, Sumita Dutta, Yutika Nath, Krishti Kabyashree, Deep Jyoti Das, Anindya Sundar Das, Salik Miskat Borbora, Raka Choudhuri, Vishal Dixit, Yash Verma and Juganta Das for their help and support in various ways.

I express my sincere sense of obligations and acknowledgement to the Department of Biotechnology (DBT), University Grant Commission (UGC), Government of India for providing financial assistance in the form of fellowship during my PhD tenure.

I am highly indebted to the cobras for their extremely valuable venom without which I could not have pursued this study. My sincere respect to those departed souls of experimental animals whose sacrifice have always contributed to the scientific society.

Last but not the least I place on record, my sense of gratitude to one and all, who directly or indirectly have lent their hand in this venture.
