

## Acknowledgement

First and foremost, I would like to extend my heartfelt gratitude to my supervisor, Dr. Robin Doley for providing me the opportunity to pursue PhD under his supervision. I thank him for the support and opportunities throughout the program.

I thank Department of Science and Technology (DST), Govt. of India for the INSPIRE fellowship and Department of Biotechnology (DBT) for the North East Twinning Project (Grant No. BT/NE/TBP/2010) which has supported major part of this research work.

I extend my earnest gratefulness to Honb'le Vice Chancellor of Tezpur University, Prof. Mihir Kanti Chaudhuri, Sir for providing appropriate ambience for education and research in the campus along with comfortable hostel facilities. I am also grateful to him for providing me financial and moral support during my hardship.

I would also like to acknowledge my Doctoral committee (DC) members, Prof. A.K. Mukherjee, Prof. Shashi Baruah and Dr. S.K. Ray and Departmental Research Committee (DRC) members for their valuable suggestions and support during the program.

I also thank Prof. R. M. Kini, Dept. of Biological Sciences, National University of Singapore (NUS), Singapore for providing me the opportunity to pursue a short term research internship during the PhD program in his esteemed laboratory. I also thank Indian Research Initiative, NUS for the partial financial assistance during the training period. Alongside I also thank Ryan, Norrapat, Janaki, Ben, Girish and the friends over there for making my visit to Singapore memorable.

I thank Dr. Rupak Mukhopadhyay and Dr. M.V. Satish Kumar Dept. of Molecular Biology and Biotechnology (MBBT), Tezpur University for assisting a part of my research work. I also extend my thankfulness to my dear juniors Deepjyoti and Munmi for helping me with cytotoxicity assays along with Himakshi and Airy for the *in-silico* studies.

Not forgetting all my wonderful labmates: Simran, Rajeev, Archana, Debabrata and Diganta Da for maintaining a healthy working environment in the laboratory and the countless laughter and pranks.

I also thank my friends Saurabh, Vivek, Rupesh, Ajay, Yasir and Manash for their endless support and concern towards me. I also extend my gratitude and love to all the wonderful members of MBBT department and the entire Tezpur University fraternity for their genuine concern and motivation throughout the period.

Last but not the least, I offer my deepest gratitude and love to my God, grandparents, parents and my brother for their unconditional love, care, support and trust on me. No words can define their importance in my life. I sincerely thank all of you for believing in my abilities and for constant encouragement.
