

Acknowledgement

By the abundant grace and blessings of God and His everlasting light of guidance, I was able to accomplish this work. As I reach another cornerstone in my academic career, I wish to express my eternal feelings to those, whose strong support and motivation made possible to present my research work in the form of the thesis.

First of all, I would like to express my deepest sense of gratitude and special thanks to my supervisor **Dr. Pritam Deb**, who believed in, encouraged and supported my efforts and provided intellectual stimulation, continuing exhilarating and sagacious guidance throughout the present study. His scholarly suggestions, prudent admonitions, immense interest, constant help, and affectionate behavior have been a beacon of light for me. His cordial behavior, humble attitude, generous mood, friendly nature, cooperativeness, and magnanimity are some of the exquisite traits which I would certainly like to cherish and emulate. He is a man of high caliber with inborn positives which have laid a deeply rooted impression in me. While working under him, the meticulous execution of his work has instilled in me a great sense of confidence to carry out my work objectively and successfully. His suggestions will remain with me as an inexhaustible source of scientific learning throughout my life. My head bows in reverence to my Sir, Dr. Pritam Deb, to whom I owe all my accomplishments.

I would like to express my sincere gratitude and profound thanks to our Hon'ble Vice chancellor **Prof. Mihir Kanti Chaudhuri** for giving inspiration and advice and providing all the necessary facilities during the course of my research work.

I would also like to thank my Doctoral Committee Members, **Prof. Amarjyoti Choudhury** and **Dr. Gazi Ameen Ahmed** for their support, suggestion and supervision during my research work. Sir, I am really lucky to have you as my DRC, because without your support and guidance, I am sure I could not have made this thesis in this present format.

I sincerely acknowledge and express my genuine sense of gratefulness to Tezpur University and the Department of Physics for giving me the opportunity to pursue my Ph.D. and also the faculty members of the department who always supported and guided me whenever I approached them. I would like to express my gratitude to Prof. A. Kumar, Prof. J. K. Sarma, Prof. N. Bhattacharya, Prof. N. Das, Dr. D. Mohanta, Dr. Amit Pathak, Dr. Arup. J. Choudhury, Dr. S. K. Das of Dept. of Physics; Dr. A. J. Thakur of Dept. of Chemical Sciences, Dr. S. K. Ray, Dr. A. N. Jha Dr. E. Kalita of Dept. of MBBT, TU and Prof. S. K. Samdarshi, CUJ for their valuable suggestions, inspirations and support to carry out my research work.

I would like to thank SAIF-NEHU, CCMB, CIF-IITG, and MPIE, Germany for giving me the opportunity to characterize samples through their sophisticated characterization techniques. I would like to specially thank our German collaborators Dr. A. Erbe and his group of MPIE for XPS and streaming potential measurement services, Dr. A. Kostka for HR-TEM facility; Indian collaborators Dr. A. B. Patel and his group of CCMB for MR imaging and relaxivity measurement services as well as to Hon'ble director Dr. Vijay Veer, and scientists Dr. P. Chattopadhyay, and Dr. D. Goyary of DRL, Tezpur, for biological characterization facilities. Moreover, their persistent help, sincere cooperation, and valuable scientific discussions have gone a long way to helping in understanding the several fact of nanobiotechnology.

I must also acknowledge the technical officer and staff of Department of Physics, Dr. Kishore K. Baruah, Mr. Ratan Boruah, Mr. Mrinmoy Gohain, Mr. Biju Boro, Mr. Palash Dutta, Mr. Dhruba Deka, Mr. Umesh Patir, and Mr. Narayan Sarma for their constant technical support.

No word would be enough for expressing my gratitude towards my lab members for their immense support all throughout my Ph.D. tenure. I am very much thankful to my lab members Madhulekha Gogoi, Koushik Saikia, Kakoli Bhattacharya, Kashmiri Deka, Devaborniny Parasar and Sushant Behera for bringing in the enthusiasm and optimism in me at hard times. No words can explain the help received from **Rahul, Koushik, Kakoli** and **Devaborniny** at last moment of my thesis.

This journey would not have been possible without the presence of my constant support system: my friends. Hence, I take this opportunity to thank Rahul, Shuvendu, Dhuruva, Mayur, Biswajit, Bondita, Shikha, Jyoti da, Manjit, Samiran, Tanvir, Priyanka, Nibedita, Runjhun, Jayanta, Murshid, Anil da, Prakash da, Viveeyan, Lipika, Bhaskar, Ajay, Kuldeep, Rupesh, Jeetu da, and his family from Tezpur University, Alok Pandey (JNU), Aditya (CCMB), Samrat Paul (NEHU), Munna (PMCH), Susil, Arvind, Rohit and Anita for guiding and supporting me in every possible way.

I sincerely acknowledge my friends Ranjeet Jee and Bablu Jha Jee family for their continuous encouragement and moral support during my course of the thesis.

I am deeply indebted towards my parents, Smt. Rita Devi and Shri Mitra Nand Jha who have always encouraged me to aim high, question things and look at life from all angles. They are great supporters and have unconditionally loved me during my good and bad times. They have always encouraged and helped me at every stage of my personal and academic life. I am also thankful to my life partner Rakhi for her support, love, patience and forbearance whilst I have spent hundreds of hours working on this thesis! I thank Almighty for **Palak**, my lovely daughter, whose lovely smile always put my mind at ease during the tough phases of my thesis. I could have never done this without these special people on my side.

Words fall short to express my appreciation for my uncle Sri Kala Nand Jha, elder brothers Sri Chetna Nand Jha, Sri Sunil Kumar Jha, Sri Naveen Kumar Jha, and Sister Ranju Didi, Nita Jha, Kanta Jha and their family. Without their love and blessings, the successful realization of the thesis would not have been possible.

Last but not the least I would like to thank entire fraternity of Tezpur University for providing all types of facilities to carry out this thesis. Also, the financial support provided by DBT, Govt. of India at various stages of my Ph.D. research is highly acknowledged.
