

Acknowledgement

This thesis is the outcome of a few year of research journey in obtaining my Ph.D. It is incomplete without a mention of those people whose support, advice and companionship helped me in materializing the works presented in the thesis. First of all I want to thank my supervisor Dr. Dambarudhar Mohanta for his constant support, proper guidance at key moments of my work and his confidence on me that helped me to accomplish this work.

I would like to express my sincere thanks to Prof. A. Choudhury, Prof A. Kumar, Prof. N. S. Bhattacharyya, Dr. P. Deb, Dr. G. A. Ahmed and Dr. A. Ramteke for their valuable advice and timely help. I am grateful to all the faculty members of Department of Physics, Tezpur University for their illuminating instructions.

My ample appreciation remains due to Scientific Officer, Dr. Kishor Baruah and all the technical staff for arranging experimental set-ups throughout the exercise. I also thank departmental staff Narayan da and Patir da for their assistance.

I acknowledge SAIC-TU and SAIF, NEHU, Shillong for extending Raman and HRTEM facilities. I would like to offer sincere thanks to the Department of Chemical Sciences and MBBT, TU, for TGA facility and bio-physical characterizations; respectively. I also thank SAIF, IIT Kharagpur, for magnetic measurements. I extend my sincere gratitude to Dr. Abhijit Saha, UGC-DAE CSR, Kolkata and CGCRI, Kolkata for γ -irradiation and rheology measurements. I offer my sincere thanks to Central University, Hyderabad and SAIF, IIT-M for lending support in EPR measurements. In this regard, I also like to express my sincere gratitude to Dr. D.K. Mishra, SoA University, and Bhubaneswar. I acknowledge the pelletron staff of IUAC, New Delhi for providing good quality ion beam facility. The help and support from Dr. D.K. Avasthi, Dr. D. Kanjilal, Dr. A. Tripathi and scientific staff is gratefully acknowledged.

I have been blessed by some wonderful fellow lab-mates Nibedita ba, Manjit da, Sayan da, Mansi ba, Runjun ba, Rizwin, Saurabh, Amrita, Swati. They always treated me like their younger brother. I am fortunate enough to have some wonderful friends Koushik (CC), Pawan, Jayanta da, Saurav da, Jnanendra (Gyani), Parag, Debo da, Manash, Deep, Arunav, Rocket ,Dipangkar, Dhruva, Biswa, Jagat da, Rupam (RK), Deepak da, Ratan da, Sikha ba, Kasmiri, Kakoli, Monoj, Sandip, Souvik, Pallabi, Upasana, Aftab. Thanks to all of you for your support in times that I needed it the most.

Last but not the least; I am thankful to my family members for their never ending support and love. Finally, I especially thank UGC, New Delhi (Ref. No. 37-367/2009(SR)) and Tezpur University for the financial grant and giving me the golden opportunity.
