
Acknowledgement

I wish to express my gratitude to many people whose support and encouragement contributed a lot in my research

First of all I would like to express my sincere appreciation to Dr. Santanu Sharma, Associate Professor, Department of ECE, Tezpur University for his meticulous guidance and endless support throughout the research work. The best part I found in his guidance is the freedom given to me to select the research topic and carry out the work.

I would also like to thank Prof. S. Bhattacharyya, HOD, Department of ECE, Tezpur University for allowing me to carry my research work in the department and providing valuable suggestions especially regarding thesis writing skills.

I am very much grateful to Dr. V.K. Nath, Associate Professor, Department of ECE, Tezpur University for his insightful suggestions and support in the work.

I am highly thankful to Prof. J.C. Dutta for his constant encouragement and suggestions throughout the research work.

I express my special thanks to Prof. P.P Sahu for his constructive criticism regarding my work which was highly helpful in learning the device physics deeply.

I express my sincere gratitude to all the faculty members of the Department of ECE, Tezpur University for providing support and encouragement throughout my research.

I am also grateful to Pranjal Barman and Chinmayee Hazarika for all the valuable discussions on various topics regarding my thesis.

I would also like to appreciate the encouragement provided to me by Kritanjali Das, Sujan Neroula, Lachit Dutta, Champk Talukdar, Md. Abdul Barik, Monoj Sarma, Rashmi Deka, Kuntala Baruah and Purnima Sharma.

I express my heartiest thanks to all of my colleagues of CIT, Kokrajhar for their endless support and encouragement without which the work was almost impossible to me.

No word is sufficient to express thanks and gratitude to my beloved wife Nitumoni. She is always with me like a shadow doing all sacrifices to support me and keeping me ambitious in life.
